

# Reduce your Carbon Footprint by 10% in 2010

## Pledge

John Gormley, Minister for the Environment, Heritage and Local Government invites you to take the 10:10 pledge

I support the efforts to 'SEAL THE DEAL' at the December 2009 UN Climate Change Conference in Copenhagen to reduce global greenhouse gas emissions, and achieve a global agreement that is fair, balanced and effective and ensures countries at greatest risk from climate change receive the help they need to adapt. I pledge to play my part in combating climate change by aiming to reduce my carbon footprint by 10% by the end of 2010.

Sign the pledge in your library  
or online at [www.1010.ie](http://www.1010.ie)

## Top Tips

- 1 Cycle or walk to work instead of driving, when possible
- 2 Reuse or recycle materials as much as you can. Some types of food waste can be used for compost in your garden
- 3 Switch off & unplug electrical appliances when they are not in use
